## Art: Emphasis in Art History

*2011-12*

**Associate in Arts Degree in Art: Emphasis in Art History**

The major in Art History has been planned to give students an overview of the History of Art. A broad range of courses is offered in both the Art of the Western and Non-Western World. After fulfilling basic core requirements, students may shape their major, through their choice of electives, to specialize in one of these areas, according to their interest. Students are encouraged to take courses in studio art as well as related courses in the History department, to broaden their understanding of the conceptual, historical and technical bases of art history. Upon graduation from Santa Barbara City College with an art history major, students should be prepared to enter the third year of a major in the field at a four year college or university.
