Creative Writing: Professional Writing Emphasis

2011-12

Certificate of Achievement in Creative Writing: Professional Writing Emphasis

For students with a passion for writing, the Certificate in Creative Writing offers two tracks. The General Emphasis includes courses in fiction, poetry, creative nonfiction, playwriting and screenwriting. The Professional Writing Emphasis focuses on applied areas of study such as nonfiction/journalism, screenwriting, and writing for multimedia. Either way, students receive instruction from professors who are both published authors and experienced teachers, and they are part of a program that features a visiting writers series, students readings, writing-based internships, and a capstone course.

Career in Creative Writing

Creative writers find careers as teachers, journalists, literary agents, screen- and television-writers, free-lance writers, book and film reviewers, and editors for print and Web publications.
