Santa Barbara City College

Health Care IT Workforce Training

2011-12

Skills Competency Award in Health Care IT Workforce Training

Upon completion of the Skills Competency Award in Health Care IT Workforce Training, the following competencies will be achieved:

- Analyze and recommend solutions for health IT implementation problems in clinical and public health settings.
- Prepare clinicians to optimize use of technology to improve quality, efficiency, and patient safety.
- Compare health information technology vendors and software and assist organization with selection to meet organization's needs.
- Evaluate patient privacy elements of the proposed electronic health record system and ensure compliance with regulations.
- Prepare practitioners in meaningful use of the electronic health record system, conforming to the redesigned practice workflow.

Job Opportunities

Students completing this program will be skilled to work as consultants in transitioning paper health records to electronic health records in a variety of health care settings: clinical office settings, such as: clinics of all health care specialties (peds, internal medicine, family practice, etc.), ambulatory surgery, county clinics, and other outpatient health care settings.

SBCC: Your Open Door to Educational Excellence

Key: (AA)=Associate in Arts; (AS)=Associate in Science; (C)=Certificate of Achievement; (D)=Department Award; (SCA)= Skills Competency Award
